CEO's Message

Dear Friends,
Greetings and Happy New Year! As we open the door to a new year, it's time to reflect on 2022 and what 2023 will bring. I am so grateful to everyone who has been integral to our success. When I think of where we started the year and where we've ended up, the word that comes to mind is "celebratory!" Last quarter was eventful for our organization, and our girls also reached many new sports and academic excellence milestones. I would like to personally thank each of you who helped us achieve these milestones – we couldn't have gotten this far without you. And I also want to thank everyone on our team for their commitment to excellence, hard work, and incredible enthusiasm.

Marching to the new year, we aim to increase our program outreach, build new infrastructure and develop more robust systems to continue empowering girls and women. We collectively ensure that no girl should be left behind from the best of everything, and enable them to become confident, capable, and prosperous to live an independent and financially stable life.

Sharing this quarter's glimpses of our celebration, success, and milestones! Do check the embedded video links to hear our Alumni and their parents.
Warm regards,
Archana Mukharji

PPES Alumni Meet 2022

After a span of three years alumni meet was celebrated where more than 150 girls participated including girls studying in universities and working girls. It was a day filled with nostalgia, memories and many more fun -filled talks.

22nd Annual Day

PPES completed 22 years and celebrated the annual day with active participation from students, staff, and parents including our board members.

The event was graced by Captain
Abhimanyu Singh Sindhu, Ex Cabinet

400 students of class 5th & 6th.

Phase 2 school building under construction with 24 classrooms.

CELEBRATIONS

Children's Day

We at PPES strongly believe that every child is unique and best in her own way!

We celebrated children's day with activities filled with fun, laughter, learning, and an exchange of inspiration from teachers to students and vice versa.

Human Rights Day

We celebrated Human Rights Day by making students aware of their rights. The event had fun-filled activities where they made paintings about various girls' rights & issues. We also had various speeches addressed by girls about their Rights.

Christmas Celebrations

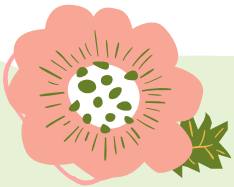

Students and teachers came together to celebrate Christmas day with joy and spread happiness with each other.

Gandhi Jayanti

Celebrated Gandhi Jayanti to mark the birth anniversary Gandhi several events were organized at the school including plays, songs, and rallies.

Staff Voice

The school has been a big support to me. My three daughters studied here and went for higher education and now they are self-reliant. When my elder daughter joined this school, my family was not in the situation to send my daughters to another school. While they were studying here, I also started working in the school kitchen, which improved my economic situation. I am so thankful to the organization to make me & my daughters independent.

Ms. Nemwati, Kitchen staff

Career Counselling Session

A group counseling session of class 10 and 12 on career counselling was organized by EY Foundation.

Mobile IT Lab

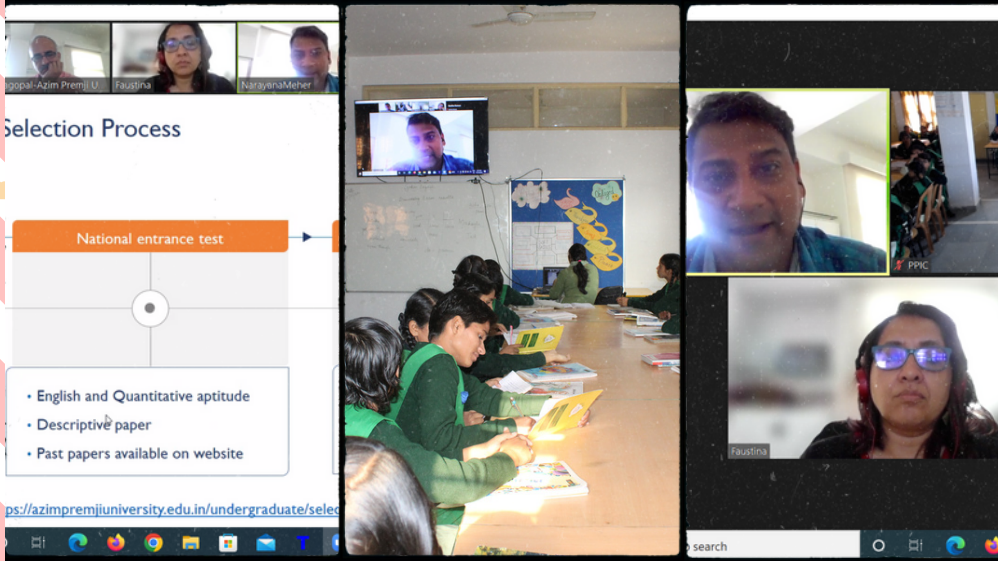

This smart bus was provided by Jubilant Bhartia Foundation catering to 594 girls' from class 3 to 5, The classes has initiated to provide computer education to the girls' from primary classes.

Staff Voice

As a home science teacher, I joined PPES in 2018, and it has been a truly rewarding experience. The organization provides care for the children and assists teachers with training, technical assistance, and other aspects for their overall development. My sincere gratitude goes out to this organization for keeping us as a family.

Ms. Meera Chaudhary- Teacher

Educational Session

An online session for higher education for higher class students was held by Azim Premji University.

HEALTH & HYGIENE

- The Prana Health Centre treated 1498+ patients in this quarter.
- 160 students received HPV vaccination.

Prana health center is now being expanded through the support received from Joseph Strode from US. This wing is being constructed in honor and recognition of Mary Cairns outstanding commitment to the health and well-being of Pardada Pardadi students. She is a volunteer and a long time supporter.

WOMEN EMPOWERMENT PROGRAM

Goat-rearing Training

With the support of Rural Self Employment Training Institutes (RSETI) Bulandshahr, we inaugurated a ten-day goat-rearing training program to enhance the livelihood opportunities for our SHG women at Chhapera Nagala village.

Various other training were under taken for the women self help group such as-

- Wheat Crop Training to improve the yield and output of the wheat quality.
- MCLP (Micro Credit Livelihood Plan) Training to plan their Livelihood activities.

Base line survey was conducted to capture the health status of select villages under CHEI (Community Health Education Initiative).

ECONOMIC EMPOWERMENT

Skill Enhancement Training

Skill development training was provided by ATDC (Apparel Training & Design Centre). Thirteen SHG members participated in the training session which was organized in Noida. Another session was organized in Anupshahr where forty members from economic empowerment program along with the staff members attended the training.

Volunteer for our cause or make donations to educate and empower Anupshahr's rural girls and women.
